PM SHRI ZPHS, Kuchanpally is committed to delivering quality education in an inclusive and inspiring environment. Located in the heart of Haveli Ghanpur Mandal, Medak district, our school emphasizes holistic development, nurturing students to excel academically, socially, and personally. Through innovative teaching practices, dedicated staff, and modern infrastructure, we empower every student to ignite their curiosity and reach their fullest potential.

INFRASTRUCTURE DEVELOPMENT UNDER PM SHRI

Under the PM SHRI (Prime Minister Schools for Rising India) initiative, PM SHRI ZPHS Kuchanpally has seen remarkable improvements in infrastructure, creating a modern and student-friendly learning environment.

Key upgrades include:

- Computer Lab: Equipped with systems to enhance digital literacy.
- Atal Tinkering Lab: A space for innovation and hands-on STEM learning.
- Library: Stocked with a wide range of books for all age groups.
- Modern Classrooms:
- Installed with Interactive Flat Panels (IFP boards) for smart teaching.
- Dual desks for comfortable seating.
- Green boards and improved ventilation for better classroom experience.
- Campus Safety:
- CCTV surveillance ensuring safety and discipline across the school premises.
- These developments have significantly enriched the teaching-learning process and empowered both students and teachers with better tools and facilities.

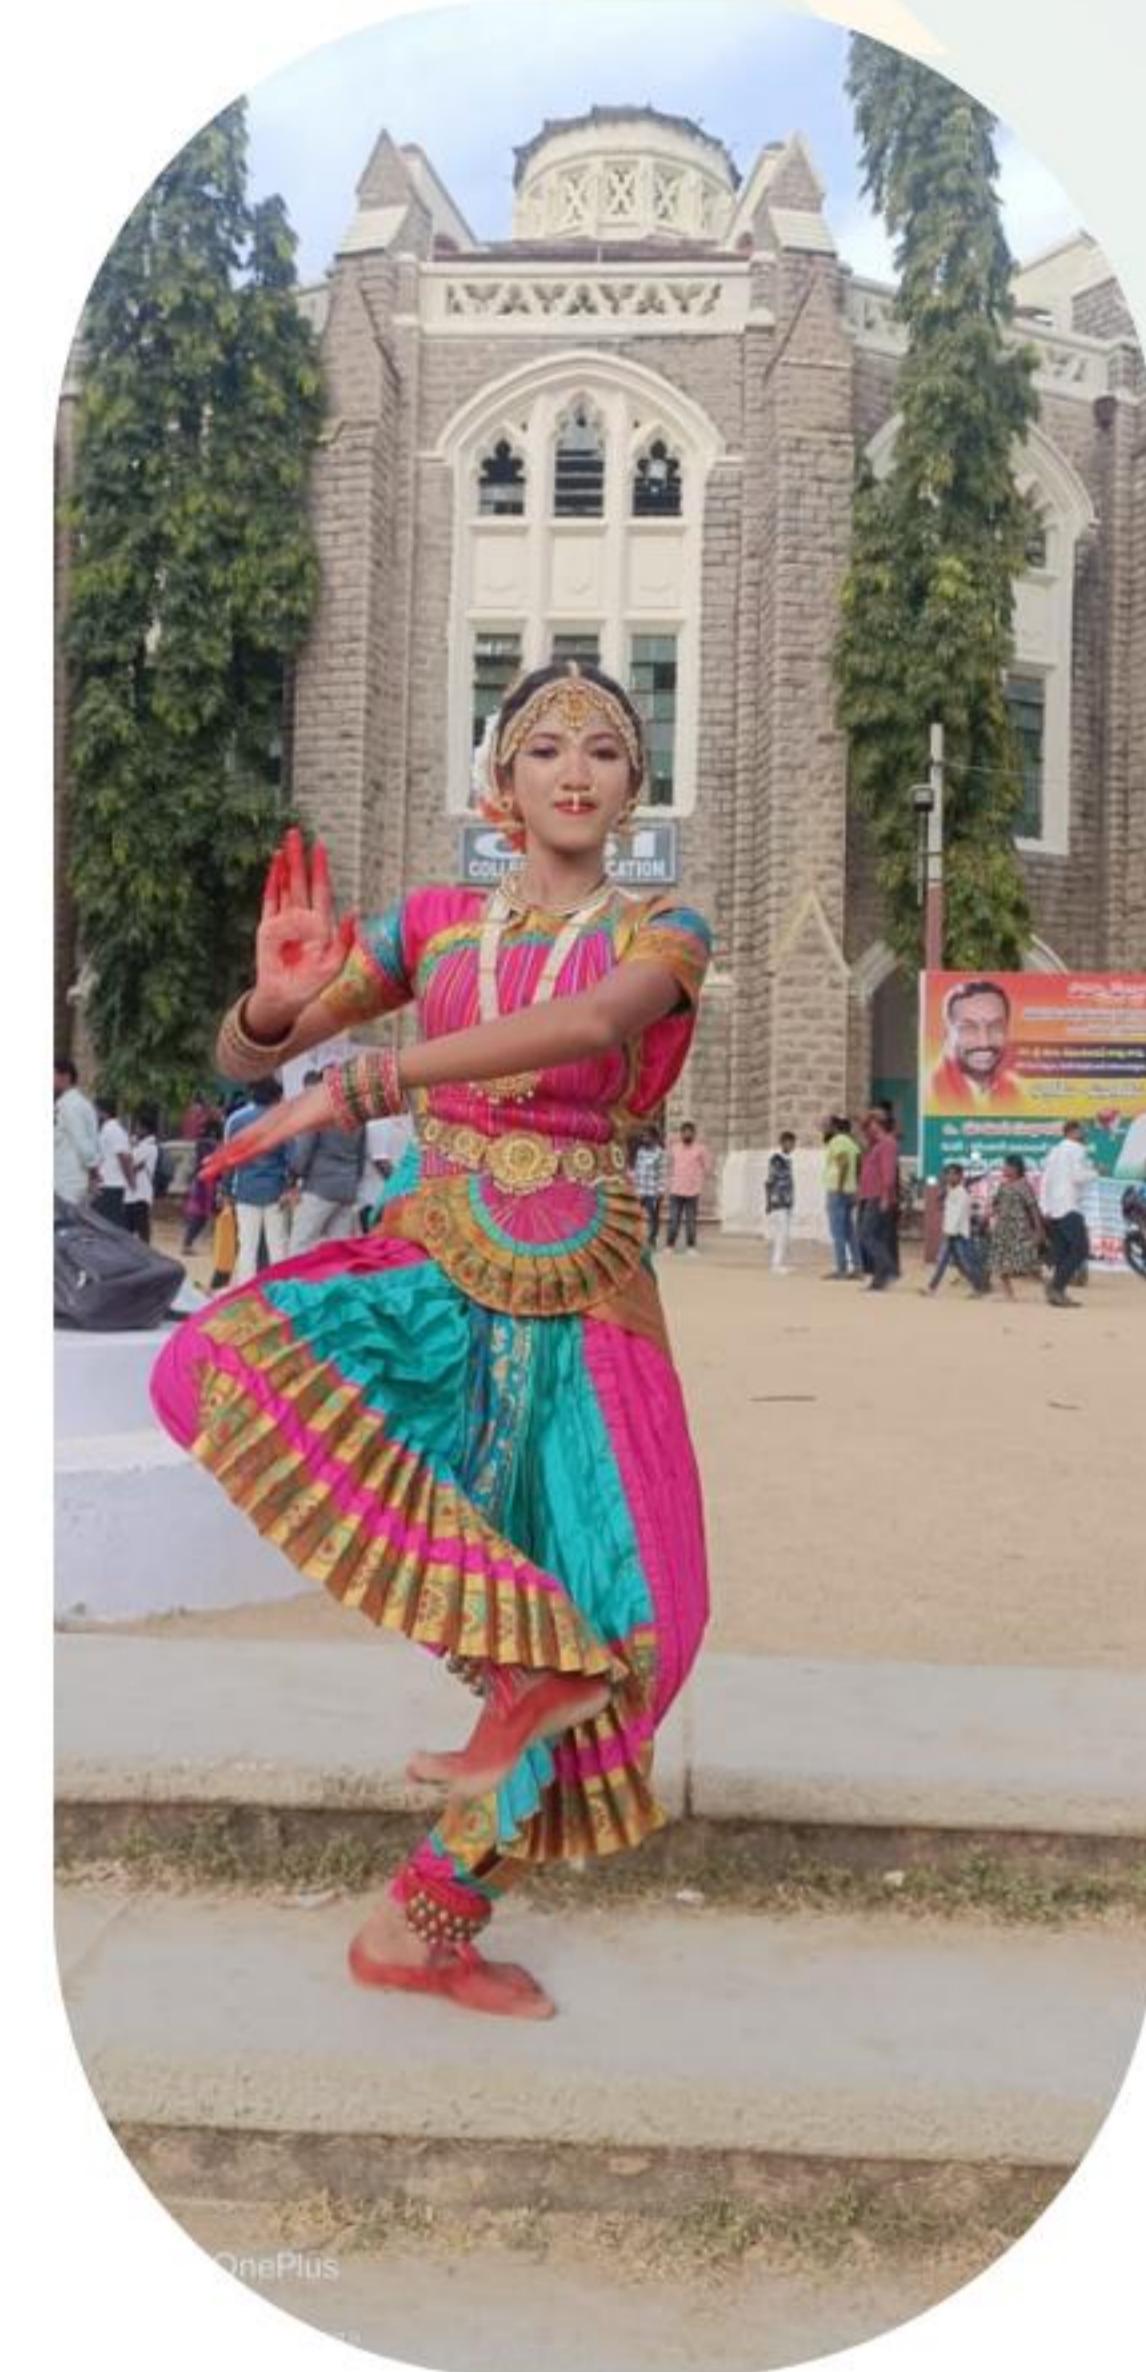

Academic achievements and participation

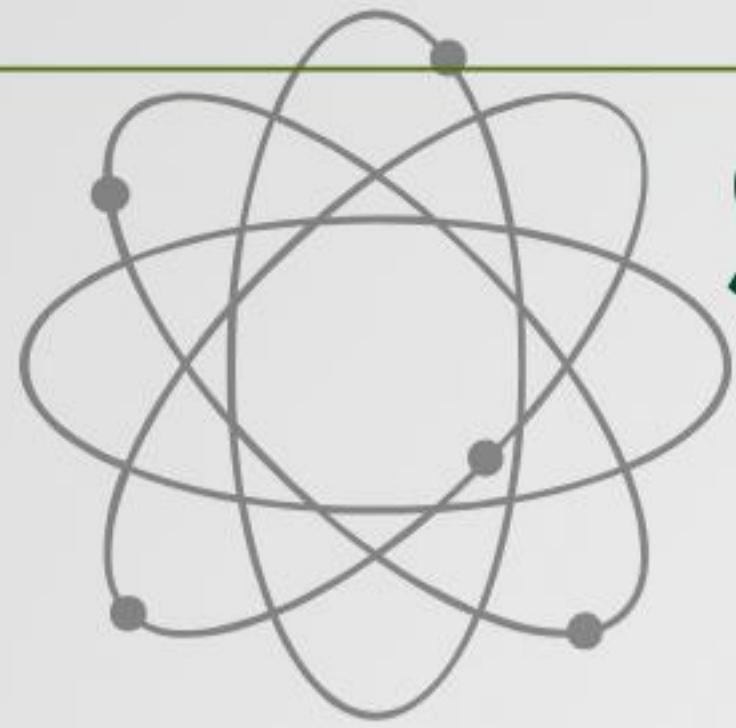

At PM SHRI ZPHS Kuchanpally, we believe in nurturing not just academic excellence but also holistic growth through active participation in various events and competitions.

During the academic year 2024–2025, our students showcased exceptional talent and enthusiasm in diverse fields:

- **Science & Innovation:**
- Students participated in district-level science fairs and secured top positions for innovative projects like Human Genome Project and Eco-Friendly Farming.
- **Cultural Activities:**
- From dance and drama to singing and storytelling, students shined in inter-school cultural fests and local community programs.
- **Sports & Games:**
- Our athletes represented the school at mandal, district levels state levels, winning medals in athletics, kabaddi, and cricket.
- **Literary Events:**
- Students actively took part in essay writing, elocution, debates, and quiz competitions, earning accolades for their creativity and confidence.

These achievements reflect the dedication of our students, the support of our teachers, and the encouragement from our school community

SCIENCE AND INNOVATION

Science Fair & Celebrations

During the academic year 2024–2025, PM SHRI ZPHS Kuchanpally actively promoted scientific thinking and innovation among students. Our school proudly participated in the Science Fair held at Medak, where students presented a variety of creative and impactful projects.

A special highlight was the presentation on Millets, emphasizing their nutritional value and importance in sustainable agriculture. We also enthusiastically celebrated National Science Day, showcasing student-made models, posters, and demonstrations. The events sparked curiosity and encouraged young minds to think critically and explore science beyond textbooks.

These experiences not only boosted student confidence but also deepened their interest in real-world scientific applications.

CELEBRATING NATIONAL SCIENCE DAY

CELEBRATING NATIONAL MATHS DAY

PM SHRI ZPHS Kuchanpally celebrated National Mathematics Day on 22nd December, commemorating the birth anniversary of the great Indian mathematician Srinivasa Ramanujan. The event aimed to highlight the importance of mathematics in everyday life and inspire students to develop a love for the subject.

The program included a variety of engaging activities such as math puzzles, mental math challenges, quiz competitions, and poster presentations on famous mathematicians and mathematical concepts. Students from all classes actively participated and demonstrated their problem-solving skills and creativity.

SPORTS AND GAMES AND FITNESS ACTIVITIES

🏆 SPORTS ACHIEVEMENTS – STRENGTH, SKILL & SPIRIT

AT PM SHRI ZPHS KUCHANPALLY, SPORTS ARE AN ESSENTIAL PART OF STUDENT LIFE. OUR STUDENTS HAVE ACTIVELY PARTICIPATED AND EXCELLED IN VARIOUS SPORTS EVENTS AT THE MANDAL AND DISTRICT LEVELS, SHOWCASING THEIR DEDICATION, DISCIPLINE, AND TEAM SPIRIT.

🏅 GIRLS TEAM ACHIEVEMENTS:

- 🥇 KABADDI – 1ST PLACE
- 🥇 KHO-KHO – 1ST PLACE
- 🥈 VOLLEYBALL – 2ND PLACE

🏓 STATE-LEVEL PARTICIPATION IN TABLE TENNIS

(AN INCREDIBLE MILESTONE SHOWING OUR GIRLS' GROWING PRESENCE AT THE STATE LEVEL!)

🏅 BOYS TEAM ACHIEVEMENTS:

- 🥇 KHO-KHO – 1ST PLACE

THESE VICTORIES REFLECT THE HARD WORK OF OUR PHYSICAL EDUCATION DEPARTMENT AND THE ENTHUSIASM OF OUR STUDENTS. THEIR ACHIEVEMENTS CONTINUE TO INSPIRE OTHERS TO PURSUE SPORTS ALONGSIDE ACADEMICS.

"EVERY MEDAL WE WIN REMINDS US THAT PRACTICE, UNITY, AND COURAGE MAKE CHAMPIONS."

CULTURAL AND OTHER ACTIVITIES

Cultural Activities

At PM SHRI ZPHS Kuchanpally, we believe in nurturing not just academic excellence but also artistic expression. Throughout the year, students enthusiastically participated in a variety of cultural events, including festivals, dance performances, music, drama, and folk art. These activities provided a platform for students to showcase their talents and celebrate the rich cultural diversity of India. Annual Day, Telangana Formation Day, and Independence Day were highlights of our cultural calendar.

Road Safety Awareness Program

To promote responsible behavior and safety on roads, a Road Safety Awareness Program was conducted in collaboration with local traffic police. Students were educated on traffic rules, the importance of wearing helmets and seat belts, and the dangers of reckless driving. Skits, poster-making, and interactive sessions helped instill a strong sense of responsibility in young minds.

National Voters' Day

On 25th January, we observed National Voters' Day to emphasize the importance of voting in a democracy. Students performed a role-play, recited slogans, and took the voter's pledge. The program aimed to spread awareness among future voters about their duty and power in shaping the nation. The theme "Nothing like voting, I vote for sure" was creatively presented through speeches and art.

Drug Abuse Awareness Program

A special session on Drug Abuse Prevention was conducted to educate students about the harmful effects of drugs. Through powerful skits, real-life stories, and interactive discussions, students learned how drug addiction can ruin lives. The session focused on making healthy choices, peer pressure resistance, and seeking help when needed. Teachers and health experts guided students with compassion and clarity.

EXPOSURE AND FIELD TRIPS

ICRISAT field trip - PMSHRI ZPHS Kuchanpally

AY Educational Visit to ICRISAT

As part of our experiential learning initiative, the students of PM SHRI ZPHS Kuchanpally visited ICRISAT (International Crops Research Institute for the Semi-Arid Tropics) in 2024–2025.

The trip offered a unique opportunity to explore cutting-edge agricultural research and sustainable farming practices. Students learned about climate-resilient crops, soil health, water conservation, and modern farming technologies. Interactive sessions with scientists inspired curiosity and broadened their understanding of food security and environmental conservation.

This visit not only enhanced their classroom knowledge but also sparked awareness about the importance of science and innovation in solving real-world agricultural challenges.

 S. Divya (Class 9):

"I saw how science helps farmers grow better crops. I want to learn more about agriculture and become a scientist one day."

EXPOSURE VISIT TO RAMAPPA TEMPLE

III RAMAPPA TEMPLE (CLASS 9 & 10 VISIT)

OUR STUDENTS FROM CLASSES 9 AND 10 VISITED THE FAMOUS RAMAPPA TEMPLE, LOCATED IN PALAMPET. THIS TEMPLE, BUILT OVER 800 YEARS AGO DURING THE KAKATIYA DYNASTY, IS NOW RECOGNIZED AS A UNESCO WORLD HERITAGE SITE.

STUDENTS WERE INSPIRED BY THE BEAUTIFUL CARVINGS, FLOATING BRICKS, AND ARTISTIC SCULPTURES. THE VISIT HELPED THEM CONNECT THEIR HISTORY LESSONS TO REAL-LIFE ARCHITECTURE AND APPRECIATE OUR CULTURAL HERITAGE.

👉 V. Srujuana (Class 10):

"I felt proud to see such rich history and art in Telangana. It made me love history even more!"

👉 P. Nandishwar Goud (Class 9):

"I never imagined temples could be built with floating bricks. It was truly an engineering wonder."

Soil Testing Awareness & Activity

As part of our hands-on science learning, students of PM SHRI ZPHS Kuchanpally engaged in a Soil Testing Awareness Program during the academic year 2024–2025.

With guidance from experts, students collected soil samples from nearby fields and observed the testing process. They learned how to identify soil nutrients, pH levels, and factors affecting crop productivity. The activity helped them understand the importance of soil health in sustainable agriculture.

This practical experience strengthened their scientific observation skills and created awareness about the role of soil testing in supporting farmers and improving crop yield.

 Ch. Raviteja (Class 9):

"The labs and experiments at ICRISAT were amazing. It was the first time I saw how soil testing and crop improvement really happen."

EXPOSURE VISIT TO GOLKONDA FORT

EDUCATIONAL TRIP TO GOLKONDA FORT

AS PART OF OUR CULTURAL AND HISTORICAL LEARNING EXPERIENCES, THE STUDENTS OF PM SHRI ZPHS KUCHANPALLY VISITED THE MAGNIFICENT GOLKONDA FORT IN HYDERABAD.

THIS TRIP WAS AN EXCITING BLEND OF HISTORY, EXPLORATION, AND FUN. STUDENTS WERE FASCINATED BY THE ARCHITECTURAL BRILLIANCE OF THE FORT, ITS MAJESTIC GATEWAYS, ACOUSTIC SYSTEM, SECRET TUNNELS, AND BREATHTAKING VIEWS FROM THE TOP. GUIDES SHARED STORIES ABOUT THE KAKATIYA DYNASTY, QUTB SHAHI RULERS, AND THE RICH LEGACY OF THE WORLD-FAMOUS KOHINOOR DIAMOND, ONCE STORED IN GOLKONDA.

THE TRIP HELPED STUDENTS UNDERSTAND THE STRATEGIC IMPORTANCE OF FORTS IN MEDIEVAL TIMES AND GAVE THEM A DEEPER APPRECIATION OF INDIA'S GLORIOUS HERITAGE. IT WAS NOT JUST A HISTORY LESSON—BUT A MEMORABLE EXPERIENCE FILLED WITH AWE, CURIOSITY, AND JOY.

SUCH FIELD TRIPS CONTINUE TO ENRICH OUR STUDENTS' LEARNING BEYOND THE CLASSROOM AND INSPIRE THEM TO VALUE OUR CULTURE AND PAST.

 Mahindra (Class 10):

"I loved the stories of the kings and soldiers. Now I understand how forts protected kingdoms in olden days. It was like walking through history."

 Akshara (Class 9):

"The fort was so big and beautiful! I enjoyed listening to the guide's stories about the Kohinoor diamond and the powerful queens and kings."

🚩 Thousand Pillar Temple (Warangal)

As part of their heritage study, the students visited the Thousand Pillar Temple in Warangal. This historic temple, built by the Kakatiyas, is known for its amazing stone pillars, detailed carvings, and the big Nandi statue.

The students observed how ancient Indian builders achieved symmetry and beauty in stone. It was a perfect blend of history and art education.

🗣️ surya teja (Class 10):

"Each pillar told a story. I could feel the devotion and creativity of our ancestors."

🗣️ T.manoj kumar (Class 9):

"It felt like walking into a history book. I learned more in one hour than in a whole chapter!"

Laknavaram Lake – Nature & Learning
Students also enjoyed a trip to Laknavaram Lake, a scenic spot surrounded by forests and connected by a famous hanging bridge.

They learned about the importance of water conservation, eco-tourism, and nature protection. It was not just a fun trip but also a great lesson in geography and environmental awareness.

Abhinaya(Class 8):
"It was peaceful and refreshing. I understood how important nature is for our lives and future."

Bhanuteja(Class 8):
"The lake was beautiful! I learned how nature and tourism can exist together if we protect them."

Educational Visit to Birla Science Museum and Zoo Park

As part of our experiential learning initiatives, students of PM SHRI ZPHS Kuchanpally went on an educational field trip to the Birla Science Museum and Nehru Zoological Park, Hyderabad.

At the Birla Science Museum, students explored various science exhibits related to physics, biology, space, and robotics. They were fascinated by the interactive models and the planetarium show, which offered insights into the solar system and the mysteries of the universe. The visit sparked scientific curiosity and deepened their understanding of classroom concepts.

In the Zoo Park, students observed a wide range of wild animals, birds, and reptiles in a natural habitat. The visit helped them understand the importance of biodiversity, conservation, and respect for wildlife. Informative boards and guided tours made the experience both fun and educational.

The trip was a perfect blend of science, nature, and exploration, leaving the students inspired and more aware of the world around them.

Swachhta Pakhwada – Cleanliness Drive

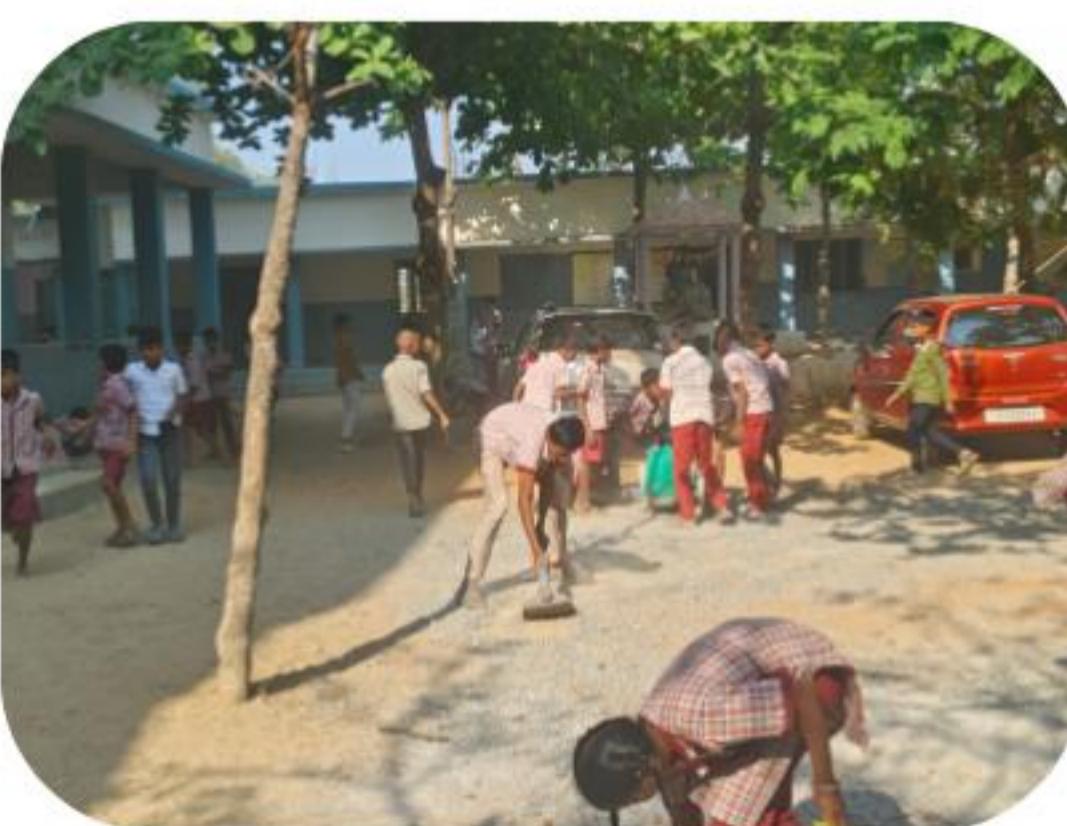

As part of the nationwide Swachhta Pakhwada campaign, PM SHRI ZPHS Kuchanpally actively organized a series of activities promoting cleanliness, hygiene, and environmental responsibility.

Students and teachers participated in campus cleaning drives, awareness rallies, poster-making competitions, and handwashing demonstrations. Special focus was given to maintaining clean classrooms, toilets, and surroundings.

The initiative aimed to instill a sense of civic duty and environmental consciousness among students, encouraging them to become cleanliness ambassadors in their communities.

Outcome:

- Cleaner and greener school environment
- Increased student awareness on hygiene and sanitation
- Strengthened teamwork and responsibility

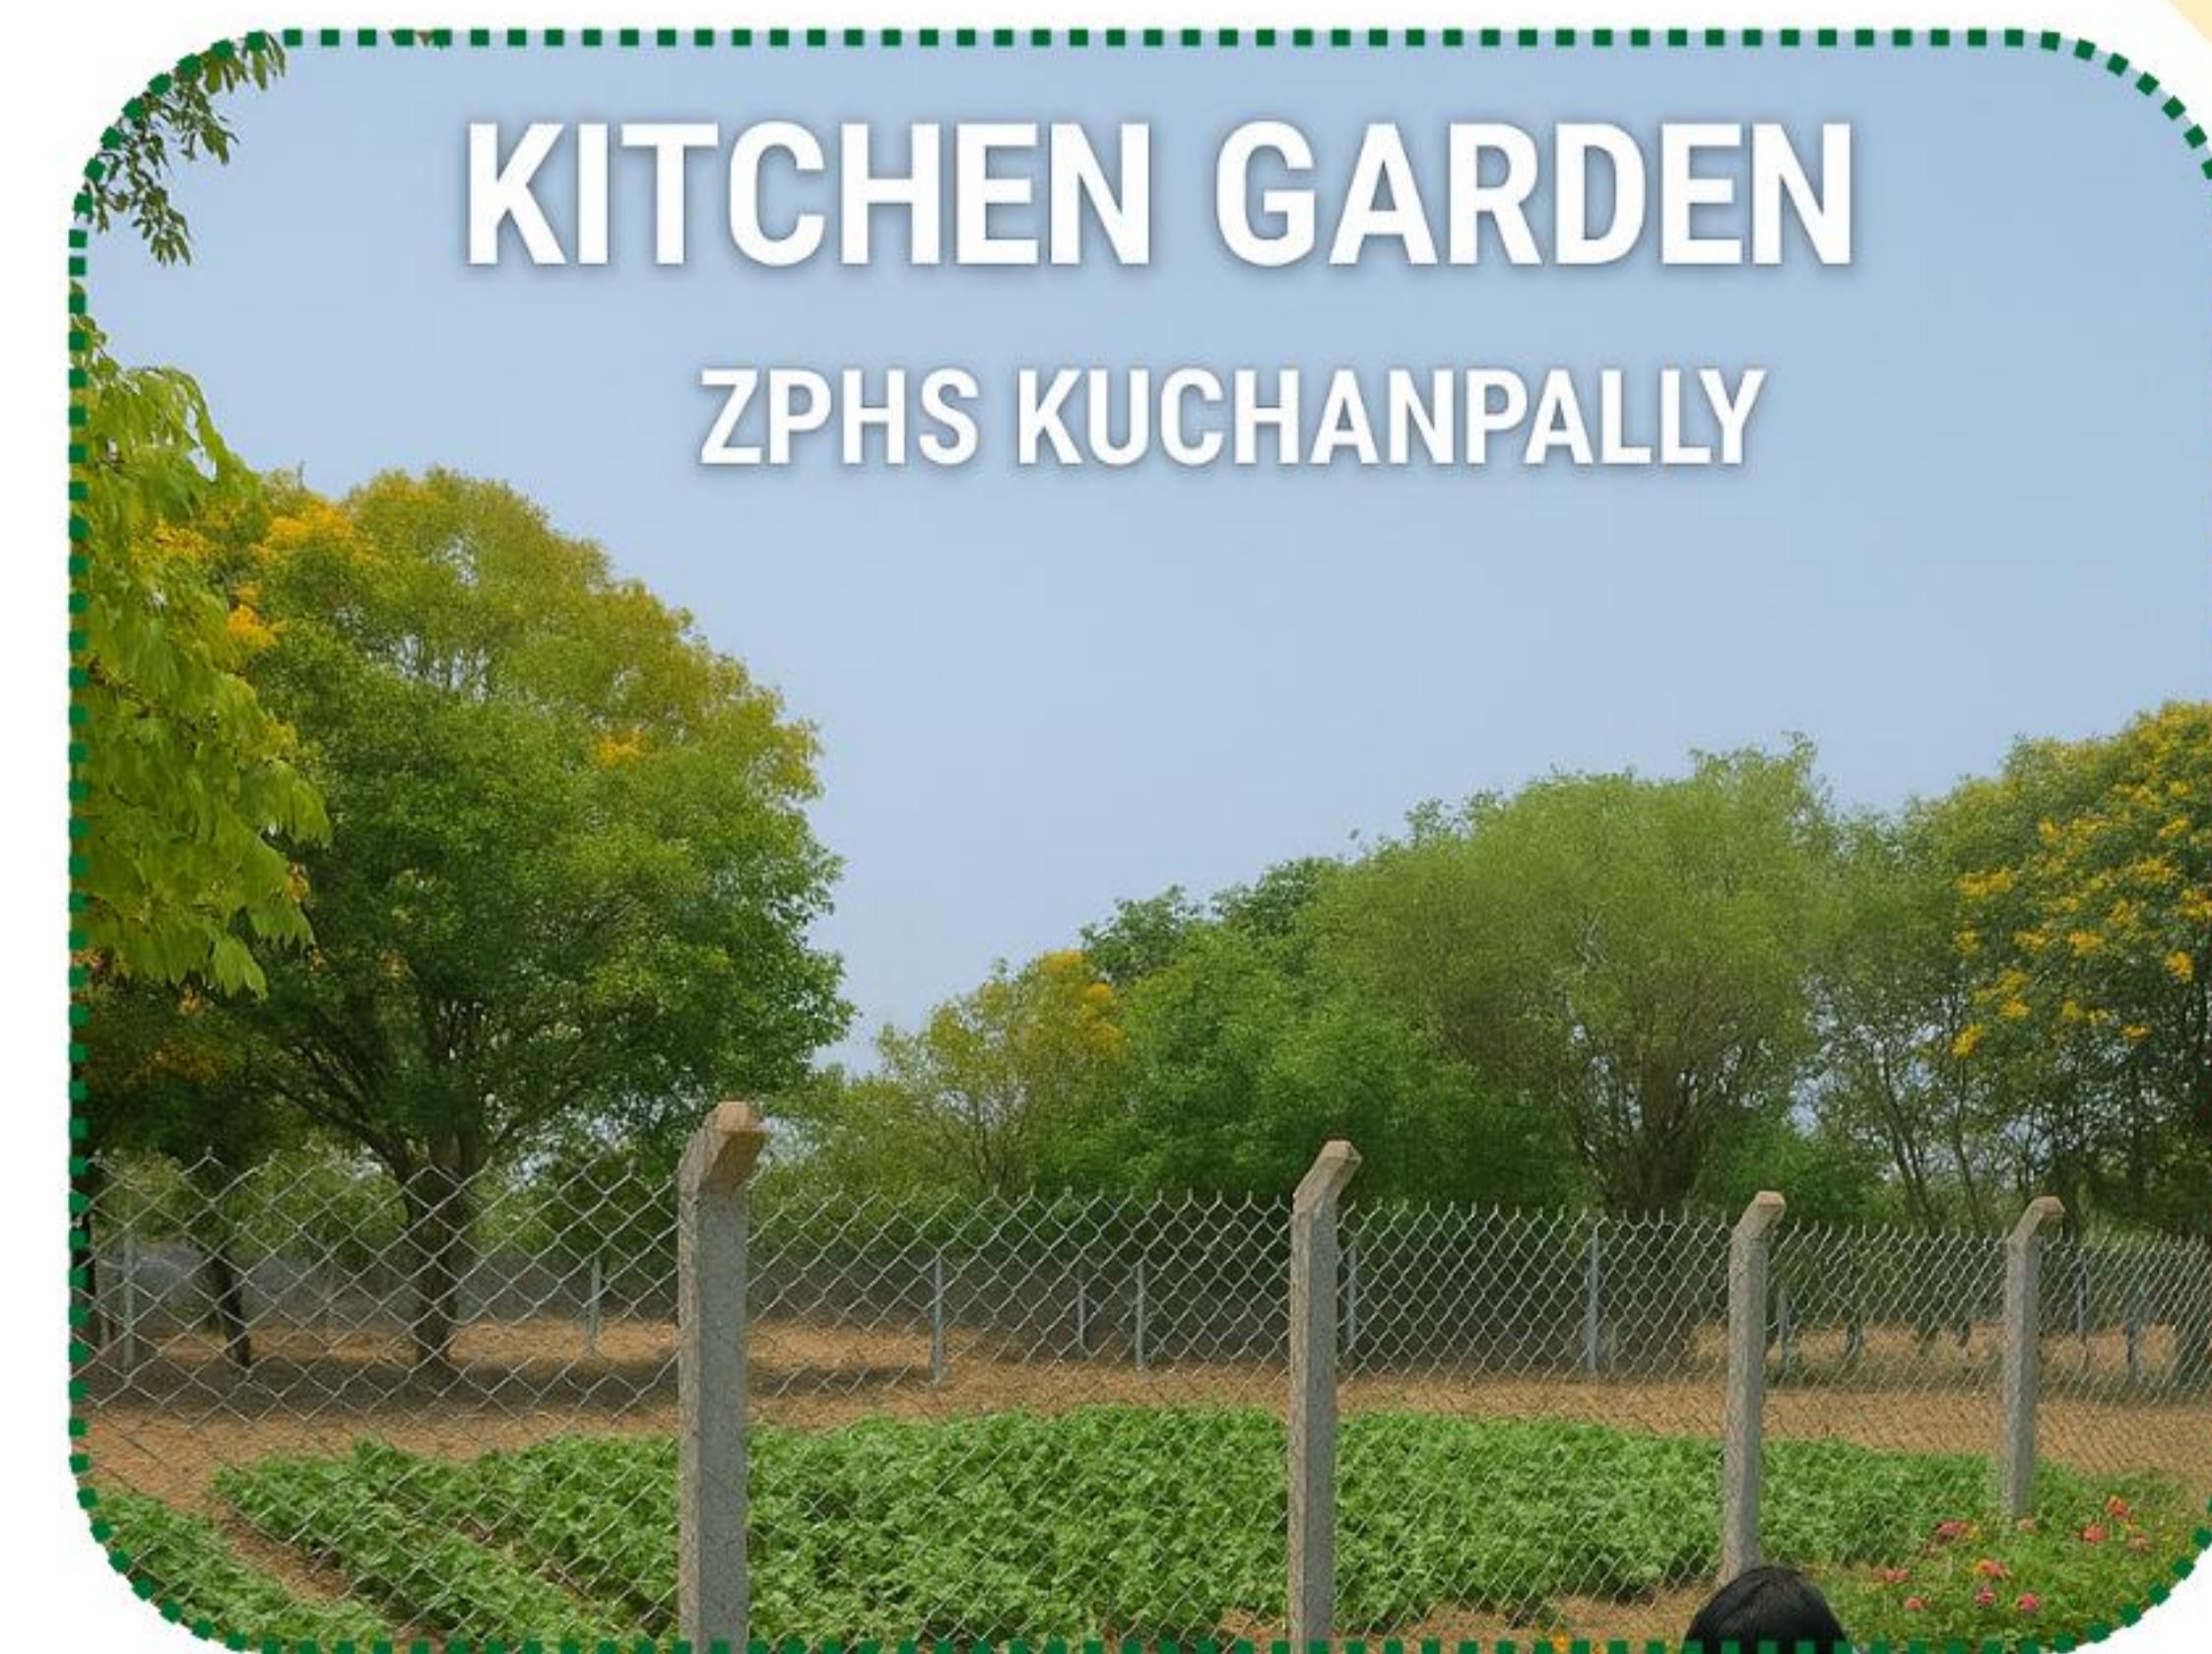

Kitchen Garden – Learning Through Growing

Our school proudly maintains a Kitchen Garden where students actively participate in growing vegetables, medicinal plants, and flowering plants. This hands-on initiative encourages students to learn about healthy eating, organic farming, and sustainable living.

It also instills responsibility, teamwork, and respect for nature.

“We feel proud when we see the plants we watered grow into healthy vegetables. It’s like growing knowledge with green hands!” – v.sahasra(7 th class)

**KITCHEN GARDEN
ZPHS KUCHANPALLY**

Rainwater Harvesting Pit – Every Drop Counts

Our school has implemented a Rainwater Harvesting System to collect and store rainwater. This project helps students understand the importance of water conservation, especially in rural and semi-arid areas.

The collected rainwater is used for watering plants and cleaning, reducing dependence on external water sources.

“I learned how even small steps can save our future water needs.” – lakitha
,Class 9

♻️ Composting Pit – Waste to Wealth

To promote eco-friendly practices, we have set up a Composting Pit where biodegradable waste from the school is converted into organic compost.

Students learn the importance of waste segregation, recycling, and soil enrichment.

The compost produced is used in the school garden, completing the green cycle.

“It’s fun to see waste turn into something useful. Now I understand the real meaning of reuse!” – m vaishvavi ,9th class

OUR BELOVED STAFF

AT PM SHRI ZPHS KUCHANPALLY, OUR STAFF IS THE HEART OF OUR SCHOOL. WITH DEDICATION, CARE, AND TEAMWORK, THEY INSPIRE STUDENTS EVERY DAY AND UPHOLD OUR MOTTO – "IGNITING CURIOSITY, INSPIRING KNOWLEDGE."

Conclusion

The academic year at PM SHRI ZPHS Kuchanpally has been one of progress, participation, and pride. From academic achievements to co-curricular activities, educational trips to awareness programs, our students have shown immense enthusiasm and potential.

With the continued support of our Headmaster Sri N. Madhu Mohan, dedicated teachers, involved parents, and the PM SHRI initiative, we are proud to be shaping responsible, knowledgeable, and curious young minds.

As we move forward, we remain committed to "Igniting Curiosity, Inspiring Knowledge", ensuring that every child receives the opportunity to learn, grow, and shine.

Let this report serve not just as a reflection of our past efforts, but also as a promise for a brighter and more empowered future.
